

TIME TRAVELERS PROGRAM

**TIME
TRAVELERS**

Where will you be traveling in 2006? As a member of the Southern Tuolumne County Historical Society (STCHS) Time Travelers program, you're entitled to special savings when you visit many museums and historic sites in the United States, thanks to a national program STCHS has joined.

Time Travelers is a national network of historical institutions that share some membership benefits with members of other historic organizations. There are more than 100 opportunities to receive free or discounted admission, free parking or store discounts through the program.

For example, show your STCHS Time Travelers membership card at the New York Historical Society museum near Central Park and receive free admission and a 10% discount in their store. If you're heading to the southwest, the Arizona Historical Society will give you free admission and parking to their museums and sites, as well as a 10% discount at their stores.

A complete list of affiliated institutions can be viewed at the Docent Desk of the Groveland Yosemite Gateway Museum or found on the Internet at:

<http://www.mohistory.org/content/MembershipServices/TimeTravelers.aspx>

Membership in the Time Travelers Program is \$20 per annum. To join, simply fill out the enrollment form below and mail it along with your check made payable to STCHS at P.O. Box 1849 Big Oak Flat, California 95305.

Please enroll me as a STCHS member in the Time Travelers Program
